## What is GoldenAge Coin (GAC)?

GoldenAge is a Blockchain-based trading and lending platform that makes it possible for anyone to participate in the cryptocurrency buying and selling activities. Investors and other members will be able to earn profits from buying and selling GAC on the platform, by buying low and

selling high thereby making profits. They could also exchange/trade other cryptocurrencies for GAC on other exchanger-platforms eventually. The trading platform enforces two-factor authentication (2FA) to log in and also during withdrawals to protect users' crypto assets.

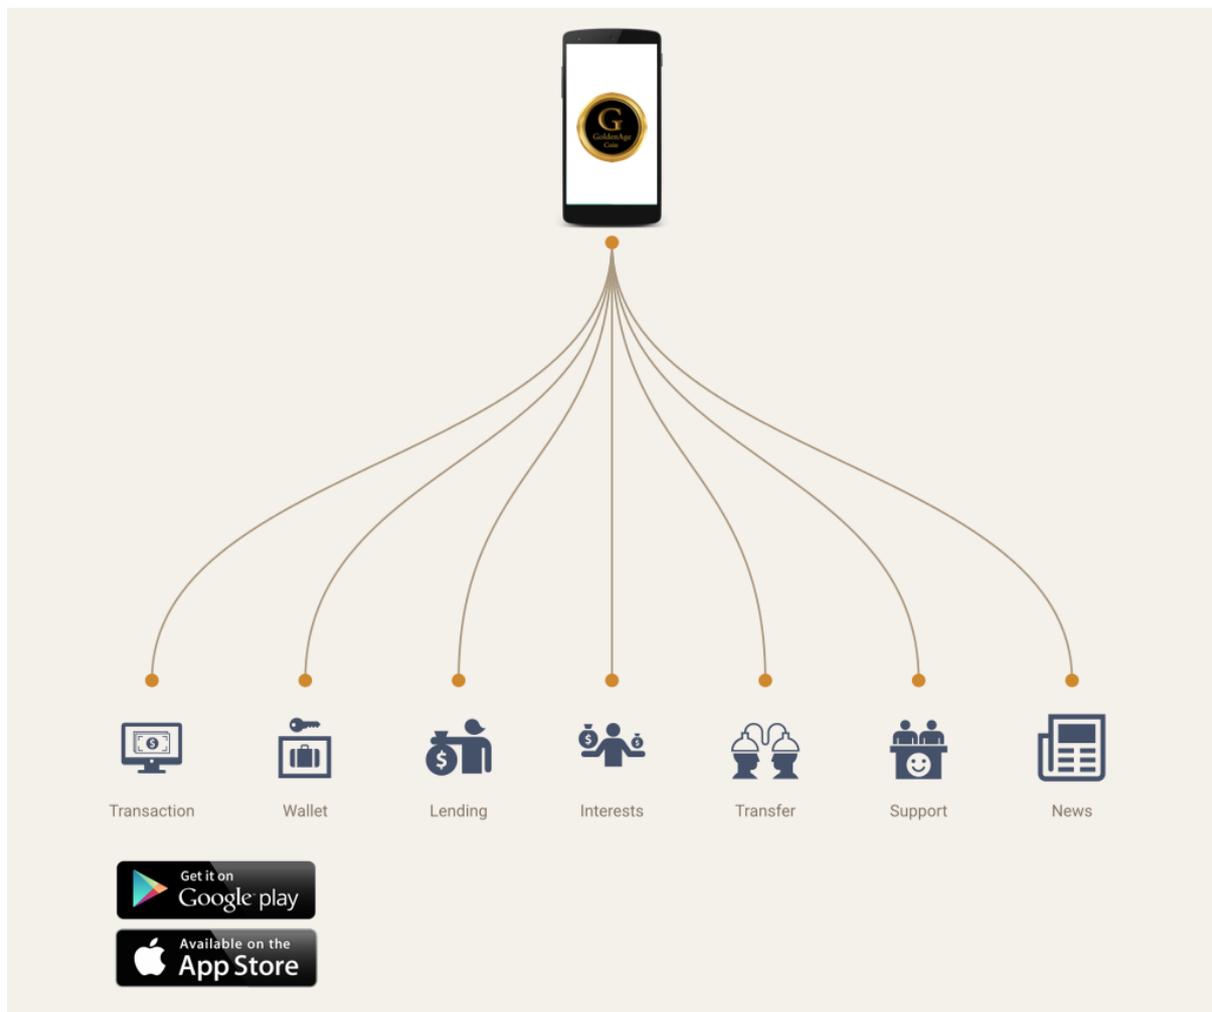

It is important to us that you remain abreast with our processes, as such we have outlined a roadmap of our plans and processes.

## Our Roadmap

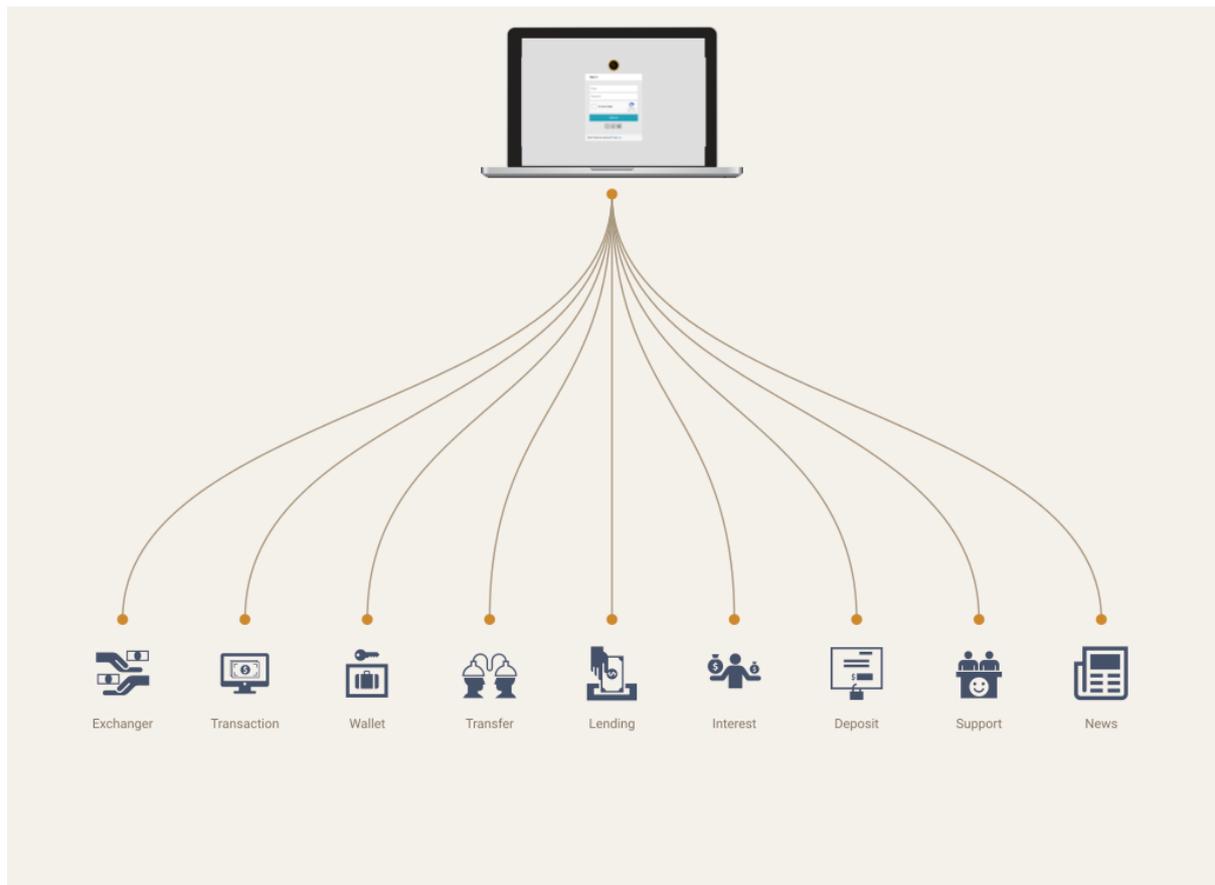

Also, we will have a mobile app on Android and iOS platforms to make it simpler and easier to manage your account. Our GAC mobile app will enable you quickly access your account, perform transactions as well as monitor your investments on the GAC network.

## GAC Mobile App

The main GAC platform which will be GAC website will enable you to manage your account effectively.

## GAC Web App

You must have an ERC20 wallet like MyEtherWallet, MetaMask, etc. to receive your Token. Payment must not be done using exchangers.

**GAC shall not be responsible for not adhering to rules of sales.**

Contributions will be confirmed automatically on the respective Blockchain.

GAC Tokens purchased will be treated as donations and is nonrefundable. Tokens will be released and made available for transfer, trading, and use along with GAC tokens issued in Presale and Crowdsale

immediately after sales. GAC tokens will be transferrable to GAC web wallet that will be released shortly after completion of ICO.

There will be referral bonus of 10% for inviting others during ICO Presales and Crowdsale plus 10% bonus of token purchased, totaling 20% for each user.

Cryptocurrency lending and trading platforms have the potential to increase dramatically in price over time, so expect much higher projections as days go by.

Thanks.
